

Corporate and Agency Training material for Brost & Associates Solutions

Successful financial services professionals establish themselves as trusted advisors of their clients. Being knowledgeable is key in this endeavor. At Brost & Associates Solutions, LLC, we will provide your company with the expertise, products and services to enable your financial services representatives to be both knowledgeable and successful.

We realize that in today's world few companies have all the resources they require. With increasing pressure in the market place to do more with less, it is important to find new ways of doing business. Our approach is to form alliances with our customers. Our products, services and expertise will allow your company to be more competitive. Brost & Associates Solutions will help you turn your challenges into opportunities. We want to be a partner in your success.

Needs Analysis

We begin by listening to you and assessing your training and organizational development needs. Our online survey tool can be configured to collect the data you need. Once we know your business needs we recommend a course of action.

Customized Training Programs

Brost & Associates Solutions designs and administers customized training programs. Whether it is one course or an entire curriculum, we offer a variety of delivery methods. You can choose:

- a live discussion over the internet,
- a traditional classroom seminar,
- a web-based training program, or
- a combination of these methods.

It's up to you. We can provide whatever works best for your company.

While we offer a full range of services and products, we specialize in web-based training and education. Our web-based training programs are designed to be dynamic, interactive and compelling. They are convenient, easy to use, and cost-effective. [Try a sample online course.](#)

We provide monitoring and reporting so you can track the progress of your representatives through the training program. We also administer and file those courses that qualify for continuing education credit.

We look forward to partnering with you to further your company's success. Contact us for a free consultation and to arrange for your free needs analysis survey.
